

ECH (Employers for Cheaper Healthcare) is a non-profit organization whose members care deeply about providing cost-effective, quality healthcare to their employees. The organization's mission is to provide leadership on employer-related healthcare issues through communication, education, and research. Our vision is to be the industry resource for employers seeking self-funded health insurance solutions.

ECH Members have access to a Taft-Hartley Health Plan, which was created pursuant to a collective bargaining agreement between ECH and NWA (National Workers' Association).
